

For One Week!

Hamburg Edges and Insertion.

We have given big values, yes, remarkable values in Embroidered Edges and Insertions before, but never have we given such values as these. This lot of Embroidery is in fine, pretty and strictly new patterns on a beautiful quality of nain-sook and ranging in width from three to nine inches. These would sell were we to buy them in small lots at 20c to 35c. We shall bunch this lot and sell all widths at 15c per yard for this one week.

When you consider the popularity of White Embroideries for Fall and Winter this is certainly an opportunity worth considering. 15c per yard.

PAINTS

You could not ask for a better time to paint outside than now, as it rains just often enough to keep the dust down and paint dries very quickly, besides oil and lead, or mixed paint, will strike into the fibres of wood better when put on in warm weather. We have a strictly pure lead "Old Process" and pure linseed oil. Also "Town and County" brand of Mixed Paint, which we have sold for about twenty years. None better made. Requires much thinning and oil is low now.
